**Teacher's checklist**

Teachers are good observers and the danger signs indicated on the following checklist describe conditions and behaviors which may indicate the child is experiencing a visual problem. If observation of clusters of these symptoms warrants further action, the school should report any concerns to the parents. Appropriate referrals may follow.

**Name of student :** .....  
**Date of Birth :** .....  
**BRUHIMS No :** .....  
**Date :** .....  
**Year :** .....
