

COURSE TITLE:

LANGUAGE PROFICIENCY PROGRAMME (JAPANESE LANGUAGE BEGINNER LEVEL I)

Training Provider: **LIFELONG LEARNING CENTRE**

COURSE OBJECTIVE

For speaking, the objective is to cover all the fundamental basics needed to move on to level II. The outcome would be that the students would be able to introduce themselves and talk about themselves or their friends or family using simple sentences. For reading and writing, the outcome would be for students to be able to read and write in Hiragana and Katakana and depending on the progress of the class around 20-30 Kanjis. In terms of listening, the outcome would be that students will be able to listen to slow speech at first, but progressively normal speech rate dialogues.
